## **Forward**

Malcolm Stammers is a very well-known retired businessman/farmer and has been a keen tractor collector for a good number of years now. He is also a keen supporter of the festive season Larling Angel Tractor Road Run, which has raised thousands of pounds for charity over the years. Malcolm has decided it's time to take life easier and he has put his whole collection up for sale.

Besides the Stammers Collection, others have also decided to downsize their collections and have entered tractors and machinery as well.

The sale has been organised jointly by Tractor Mart's Peter Love and Howard Pugh of H J Pugh & Co,

Internet bidding will be available via easylive auctions on the principal items.
