INTRODUCTION

This is a genuine dispersal sale on behalf of Imbert May who has been building up this collection for many years. During that time he has travelled to auction sale across the country often finding himself in the depths of wales, the Shropshire hills, the flats of the Eastern Counties to mention a few. Imbert has met many interesting and friendly people over the years including those on National Tractor Runs and Tractor Rallies many of which he has taken part.

The time has now come for him to part with this extensive collection and give others the opportunity to acquire and enjoy the tractors as much as he has.

VIEWING.

Auctioneers will be on site from 10am Wednesday 28th October onwards. Viewing will be permitted in reasonable daylight hours including morning of the sales.

COLLECTION

Purchases may be collected on sale days after the sale has concluded. Staff, tractors and loadalls will be available. Items may remain on site at the buyer's risk for seven days and assistance to load will be available. Prior appointment must be made to collect any item remaining on site after seven days.

COVID-19 RULES

Please do not attend the sale if you have any symptoms of COVID 19. Although this is an outdoor event please bring and provide your own PPE and wear face masks.

Please only attend the sale if you are intending to bid. This will help enable us to maintain crowds and social distancing.

All items are situated outside in a large field. Whilst every effort must be made to adhere to social distancing rules there is ample space. The auction will be conducted from a pickup with a public address system so crowding around the lots is not necessary.

All people entering the site must sign in leaving the name and telephone number for track and trace.

Those wishing to bid on site who have not previously registered with us are advised to contact our office prior to the auction.

The sale can be followed live online with audio and photographs of each lot as the sale goes on throughout the day. Visit www.hjpugh.com to follow the online bidding.
